Things to talk about:

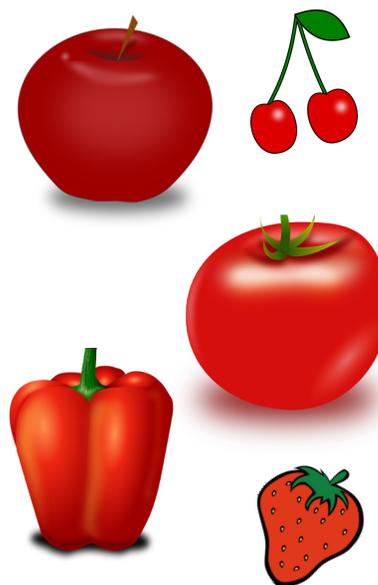

Items on pages 2-5 can be classified.
(Things you eat, animals, school items, things you can wear.)

Tell your own story that includes all of these items.

Play "I spy" with the items in the book.

Ask questions: Which things can you hold in your hand? Which things are hard or soft? Which things are containers?

Now everything looked like this.

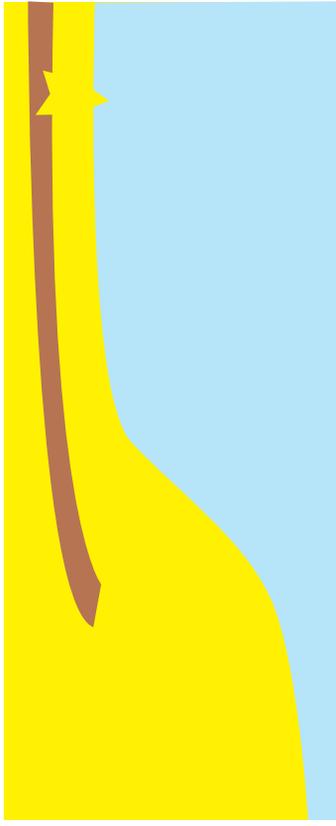

Little Yellow Star thought for a minute, then wished for the sky to turn back to a lovely blue.

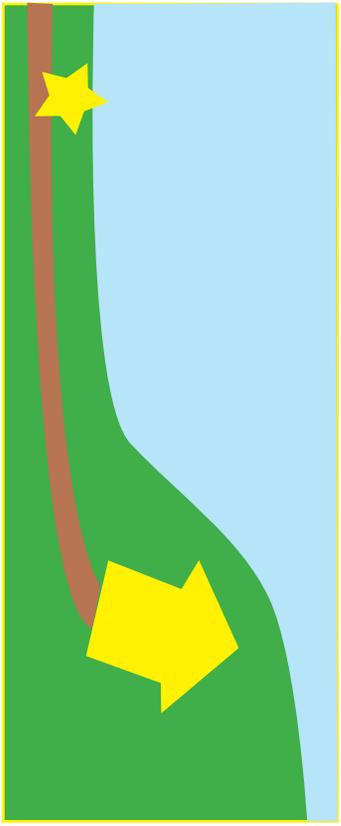

4-5

Little Yellow Star thought for another minute, then wished for the road to turn back to brown.

“I wish the grass would change back to green,” cried Little Yellow Star. And that is just what happened.
